

## **Summer Reading for Fiction II/III:**

This summer, I'd like all students in Fiction II/III to read the novel *Hannah's War* by Jan Eliasberg (a first novel).

As you're reading, I'd like you to pay attention to:

- Structure
- Point of view
- Pacing
- Characterization

Take notes on these topics.

Note what you think is working well and what isn't working so well.

Take notes on what you think you can learn from reading this novel.

Be prepared to discuss on the first day of school!

Happy Reading!
