

Summer Reading Assignment for Mr. Hill's 12th grade classes.

For Mr. Hill's students, please **choose one of the following**:

- a) one novel or novella,
- b) a memoir, biography, or some other work of nonfiction, or
- c) two - three collections of poetry or a poetry anthology, or some combination of both

Selections should be student choice and upon reading the text(s), should be accompanied by a 2-3 page report on their findings, curiosities, and insights into what these selections provided.

If possible, students should purchase a copy of the book(s) they intend to read and keep marginal notes about what interests and intrigues them.

Students should come prepared on the first day of school with a set of notes to discuss their book(s) and give a short talk on their curiosities and findings, no longer than 5 minutes.
