

Specializing in technology and the fine and performing arts, the ARGS offers a comprehensive program which serves a diverse population of artistically gifted students who demonstrate a strong commitment to the arts.

**ARGS**

Located in Petersburg, Virginia, the Appomattox Regional Governor's School is the only full-time governor's school in the state devoted to the fine arts and technology. Our unique environment helps over 300 students (ranging from 9th to 12th grade) excel in the many forms of expression and technical studies.
